16 August 2017

National Veterinary Care – divestment of emergency clinics

National Veterinary Care Ltd (ASX:NVL) (**NVL**) is pleased to announce, further to an update on portfolio strategy in its Business Update and Placement Presentation on 16 June 2017, divestment of two clinics providing emergency and specialist services has completed.

NVL plans to reinvest the proceeds into businesses with stronger EBIT performance similar to NVL's current general practice clinics.

NVL intends to develop a strategic partnership across the nation to support and service NVL's clients and clinics for emergency and specialist services.

-END-

About NVL:

NVL aims to be a leading provider of veterinary services in Australia and New Zealand. NVL has acquired and integrated 56 veterinary services businesses across Australia and New Zealand. NVL strives to achieve excellence in clinical care for pets, and to build a platform for loyal, long term relationships with their owners.

The key growth strategies for NVL are expanding the NVL network of clinics through acquisition, and driving organic growth at a clinic level.
