

1 The Company's commitment to corporate governance

The Board is committed to a high standard of corporate governance practices ensuring that the Company complies with the Corporations Act, Listing Rules, the Company's Constitution and other applicable laws and regulations. Good corporate governance is a fundamental part of the culture and business of the Company.

The Company has followed the ASX Corporate Governance Council's Principles and Recommendations (third edition) where the Board has considered the recommendations to be an appropriate benchmark for the Company's corporate governance practices. Where, after due consideration, the Company's corporate governance practices depart from a recommendation, the Board has offered full disclosure and reason for adoption of its own practice, in compliance with the "if not, why not" regime.

The Directors monitor the business affairs of the Company on behalf of its Shareholders and have adopted this Corporate Governance Statement to encourage the Directors to focus their attention on accountability, risk management and ethical conduct. A description of the Company's main corporate governance practices is set out below. All these practices, unless otherwise stated, were in place for the entire year. The Board continues to review the framework and practices to ensure they meet the interests of its Shareholders.

This document was adopted by the Board on 28 August 2017.

2 Recommendation 1.1 - Roles and responsibilities of the Board and Senior Executives

The Board has adopted a Board Charter which sets out the roles and responsibilities of the Board and its governance requirements. A copy of the Board Charter can be found on the Company's website.

3 Recommendation 1.2 – Checks on Board candidates and provision of information to Shareholders

The Company undertakes appropriate checks before appointing a person or putting forward to Shareholders a candidate for election as a Director of the Company. A copy of the Company's Remuneration and Nomination Committee's Charter is accessible on the Company's website.

The Company endeavours to provide the following information to Shareholders to enable the Shareholders to make an informed decision as to the candidate's character, experience, education, criminal record and bankruptcy history:

Each member of the Senior Executive team has signed a formal employment contract covering a range of matters including their duties, rights, responsibilities and any entitlements on termination. The standard contract refers to a specific formal job description. This job description will be reviewed by the Remuneration and Nomination Committee on an annual basis and, where necessary, be revised in consultation with the relevant employee.

5 Recommendation 1.4 – Company secretary is accountable to the Board

The Company Secretary plays an important role in supporting the effectiveness of the Board and its committees. The Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.

The responsibilities of the Company Secretary include:

- (a) advising the Board and its committees on governance matters;
- (b) monitoring that Board and committee policy and procedures are followed;
- (c) coordinating the timely completion and despatch of Board and committee papers;
- (d) ensuring that the business at Board and committee meetings is accurately captured in the minutes;
- (e) helping organise and facilitate the induction and professional development of Directors; and
- (f) attending to ASX and statutory filings.

Any decision to appoint or remove a Company Secretary will be made or approved by the Board.

Each Director of the Company is able to communicate directly with the Company Secretary and vice versa.

6 Recommendation 1.5 - Diversity Policy

The Company values diversity and recognises the benefits it can bring to the organisation's ability to achieve its goals. Accordingly, the Company has developed a Diversity Policy which is available on the Company's website. This policy outlines the Company's diversity objectives in relation to gender, age, cultural background and ethnicity. It includes requirements for the Board to establish measurable objectives for achieving diversity, and for the Board to assess annually both the objectives, and the Company's progress in achieving them.

The Board will abide by the following principles:

- (a) the Board has established measurable gender diversity objectives and will assess annually the objectives and progress in achieving them;
- (b) the Company is to maintain a mix of Directors on the Board from different backgrounds with complementary skills and experience; and
- (c) the Board is required to undertake an annual Board performance review and consider the appropriate mix of skills required by the Board to maximise its effectiveness and its contribution to the Company.

The Board has set the following measurable objectives for achieving gender diversity and will ensure those targets continue to be achieved during 2018:

Number of Females	Current (%)	Target by 2020 (%)
Board	50	50
Senior Management ¹	62	50
Total employees	87	50

¹ Senior Management consists of the managers who report directly to the CEO, or his direct reports.

At 30 June 2017, women represent 87% of the Company's employees, hold 62% of senior management positions and represent 50% of the Board (or 67% of the non-executive directors on the Board).

Given the high proportion of women employed within the Company, and the veterinary industry in general, the Board will consider additional measurable objectives during the coming year.

The Company is a relevant employer under the Workplace Gender Equality Act. The Company's most recent "Gender Equality Indicators", are available on the Company's website.

7 Recommendation 1.6 – Process for the periodic evaluation of the Board

On an annual basis, the Remuneration and Nomination Committee conducts a review of the Board structure, composition and performance and also reviews the performance of the Board committees and individual Directors. The Remuneration and Nomination Committee has developed an informal annual self-assessment process for its collective performance, the performance of the Chair and its committees. A questionnaire is to be completed by each Director, evaluating his or her individual performance, that of other Board members and of the Board as a whole. The results and any action plans are to be documented together with specific performance goals which are to be agreed for the coming year.

A member of the Remuneration and Nomination Committee who is a non-executive Director will be responsible for the performance evaluation of the Chair after having canvassed the views of the other Directors.

The Remuneration and Nomination Committee will ensure that a performance evaluation is undertaken in relation to each reporting period.

A performance evaluation was undertaken in accordance with the above process during the year.

8 Recommendation 1.7 – Process for the periodic evaluation of Senior Executives

The Company has developed a process for the annual appraisal of Senior Executives measuring performance in multiple areas, including contribution to the overall success of the business. The appraisal is designed to measure success in achieving objectives set for the past twelve months and to set objectives for the ensuing twelve months. Succession planning is also built into the appraisal process to encourage development of future leaders within the Company.

A performance evaluation was undertaken in accordance with the above process during the year.

9 Recommendation 2.1 and Recommendation 8.1 – Remuneration and Nomination Committee

To date, the size of the Board is not sufficient to warrant two separate committees for Remuneration and Nomination. As a result, the Company established a combined Remuneration and Nomination Committee.

During the year, the Remuneration and Nomination Committee's Members were:

- Alison Sherry – Chair (resigned 30 June 2017)
- Susan Forrester - Member
- Wesley Coote – Member (resigned 1 March 2017)

From 1 July 2017 until 1 March 2017, the Remuneration and Nomination Committee had three members, all of whom were non-executive, independent directors (including the Chair). From 1 March 2017, the Remuneration and Nomination Committee had only two members, both of whom were non-executive, independent directors (including the Chair). The Board considered this to be appropriate, having regard to the small size of the Board.

The relevant qualifications of the members of the Remuneration and Nomination Committee are disclosed in the Directors' Report which is contained within the 2017 Annual Report and is available on the Company's website.

The Charter of the Remuneration and Nomination Committee is available on the Company's website.

In accordance with its Charter, the Remuneration and Nomination Committee is responsible for ensuring that the Company's executive remuneration policies, practices and procedures are:

- (a) aligned with the Company's overall business objectives and market practice;
- (b) motivate executives to pursue the Company's long-term growth;
- (c) demonstrate a clear relationship between the Company's performance and performance of executives; and
- (d) align the interests of executives with the creation of value for Shareholders.

The number of times that the Remuneration and Nomination Committee met throughout the reporting period and the individual attendances of the members at those meetings are disclosed in the Directors' Report section of the 2017 Annual Report which is available on the Company's website.

From 30 June 2017, the Remuneration and Nomination Committee consists of the whole Board. The Board considers this to be appropriate, having regard to the small size of the Board and the balance of skills, knowledge, experience independence and diversity which enable it to discharge its duties and responsibilities effectively.

10 Recommendation 2.2 – Board skills matrix

The Board considers that a diverse range of skills, background, knowledge and experience is required in order to effectively govern the Company. The Board has developed a competencies matrix to help identify any gaps in the collective skills, competencies and experience that the Board currently has or is looking to achieve in its membership. The Board Competencies Matrix is attached as Annexure A to this document.

The Board regularly evaluates the mix of skills, experience and diversity of background, skills and perspectives that will be effective in supporting and enabling delivery of good corporate governance and value for Shareholders. When the need for a new Director is identified, the required experience and competencies of the new Director are defined in the context of this matrix and any gaps that may exist.

11 Recommendation 2.3 – Directors' independence

The Board has adopted specific principles in relation to Directors' independence. These state that to be independent, a Director must be a non-executive Director and:

- (a) not be a substantial Shareholder of the Company or an officer of, or otherwise associated directly with, a substantial Shareholder of the Company;
- (b) within the last three years, not have been employed in an executive capacity by the Company or any other Group member, or been a Director after ceasing to hold any such employment;

- (e) must have no material contractual relationship with the Company or a controlled entity other than as a Director of the Group;
- (f) be free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the Director's ability to act in the best interests of the Company; and
- (g) must not have any close family ties with any person who falls within any of the categories described above.

Materiality for these purposes is determined on both quantitative and qualitative bases. An amount of over 5% of annual turnover of the Company or Group or 5% of the individual Director's net worth is considered material for these purposes.

National Veterinary Care Ltd

Corporate Governance Statement

In addition, a transaction of any amount or a relationship is deemed material if knowledge of it may impact the Shareholders' understanding of the Director's performance.

A Director's independence may be perceived to be impacted by lengthy service on the Board. To avoid any potential concerns, the Board has determined that a Director will not be deemed independent if he or she has served on the Board of the Company for more than ten years.

Having regard to the factors listed above, all of the non-executive directors were considered by the Board to be independent Directors during the year. The Board does not consider Tomas Steenackers to be an independent Director as he is employed by the company in an executive capacity.

The Board composition for the year to 30 June 2017 was as follows:
